PROFESSIONAL EXPERIENCE

President of the Education Committee, SASSE, www.sasse.se 03/2024-03/2025

SASSE is the student association at the Stockholm School of Economics that engages 2000 students yearly and has an annual turnover of 17 MSEK (\$1,600,000).

- Handled operational matters as a member of the operational board in SASSE.
- Led a team of 50+ representatives and 5 board members, driving initiatives to improve academic quality for 2,000 students.
- Coordinated negotiations with faculty and administration to ensure high educational standards and effective feedback systems.

Data Market Administrator, Nordea Investment Management, www.nordea.se 03/2023-03/2024

Nordea is a prominent Nordic financial services group that provides banking, asset management, and insurance services to individuals, corporations, and institutional clients.

- Ensured accurate pricing of financial instruments by analyzing price deviations across equity, bond, and derivative markets.
- Produced daily NAV valuation reports supporting portfolio managers overseeing multi-billion SEK funds.

Medicine Counter Assistant, Apoteket AB, www.apoteket.se 01/2018-03/2023

Apoteket AB is the biggest pharmacy chain in Sweden with services in both private and public sectors.

- Developed strong communication and problem-solving skills by guiding clients in selecting appropriate medical products.

EXTRACURRICULAR ACTIVITIES

CIVICA Student Board Member, CIVICA, www.civica.eu 09/2024-07/2025

- Represented SSE on the Civica Student Board, collaborating with peers from 10 leading European universities to shape joint academic and extracurricular initiatives.
- Contributed to cross-institutional projects on student engagement, enhancing collaboration across a European network of 35,000 students.

Head of Macro Analysis, Stockholm Student Investment Fund 09/2023-03/2024

- Directed a team of 3 analysts producing macroeconomic research to guide investment decisions for a \$200,000 student-managed fund.
- Authored reports on monetary policy, inflation, and market trends that informed asset allocation strategies.
